The image shows a document page with a grid of numbers. The numbers are arranged in rows and columns, with some numbers appearing to be handwritten or stamped. The grid is partially obscured by a vertical line and some handwritten text. The numbers are mostly in the range of 10000 to 100000. The handwritten text is in the top right corner and appears to be "Coul".

Figure 1. A schematic diagram of the experimental setup. The subject is seated in a chair, viewing a video screen. The screen displays a target (a small circle) and a starting point (a larger circle). The subject's hand is positioned at the starting point, and the video screen shows the hand's position relative to the target. The subject is instructed to move the hand to the target. The video screen is controlled by a computer, which records the hand's position and the time taken to reach the target.
